by Logon 19" Rack Cabinet 12U 56 x 60 COM-BOX Wallmount

Product Dimensions: 565 x 600 x 576mm

Com-Box series wall mount cabinet; With its design, advanced structural superiority, ease of use and most importantly, unrivaled price advantage, it provides superiority to its peers.

Capacity and Diversity

The COM-BOX wall mounted rack cabinets have a carrying capacity of 80 kg when mounted on the wall, 2 units in 450mm deep cabinets and 4 units in D=600 cabinets.

The COM-BOX is 565 mm wide and has two different depths D=450 and D=600. It creates an alternative with its height options up to 7U-9U-12U-16U and 20U.

Doors

Removable and lockable side covers of the COM-BOX wall mounted rack cabinets offer easy access. Side doors with standard bolt lock, optional key lock can be preferred. The front glass cover has a modern look with its special slotted metal frame and design.

Wall Mount

After mounting the back cover of the cabinet to the wall with 4 dowels, you can screw it on the cover by hanging it.

Modular Structure

All demounted COM-BOX cabinets are packaged in a one-piece demounted packaging and with a high level of shipping security.

- Unmounted
- Black & Red
