Description

This wireless keyboard and mouse kit is an essential companion for the home or office. Simply plug and play to get easy, seamless performance from your devices. The standard keyboard features a full suite of 105 soft-touch keys for accurate, comfortable typing. The cleverly-designed mouse comes with a DPI switch which can instantly adjust sensitivity, and rubberized finishing provides superior grip and comfort. This is a great combo for the home or office, designed to give comfort and convenience over long hours of work and play.
