

IDEAPAD

Flex 5i Chromebook (14", 7)

Live life with flexibility.

Take all your essentials anywhere you go with the versatile Lenovo IdeaPad Flex 5i Chromebook powered by the 12th Generation Intel® Core™ processors which distributes performance where you need it most — saving you time and increasing your ability to do the things you want. With a first-of-its-kind design, experience the power of a processor designed for real-world multitasking. This unique 2-in-1 convertible Chromebook is packed with privacy protection features that give you a peace of mind and get you started faster. The 14" screen, stylus pen support and a larger touchpad let you do more, watch more and play more at home or outside.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD FLEX 5i CHROMEBOOK (14", 7)

Stunning visuals and crystal-clear sound

Treat yourself to the dazzling and expansive visuals of the FHD IPS display, with vivid, accurate 100% sRGB colors and 400 nits high brightness to bring shows and games to life even in outdoor environment, while you enjoy the fuller and louder sound from the front-facing speakers tuned by MaxxAudio®. View more rows and scroll less through your spreadsheet on the taller 16:10 aspect ratio display with thin bezels on all sides.

A better type and touch experience

Be as productive as possible with a centered touchpad that aligns with the space key, making for a better typing experience, all the while resting your wrists, thanks to the drop-down hinge that lifts up the keyboard. Select and edit content with greater precision on the larger 120 x 75 touchpad. When the sun sets or you're in a dark room, the optional backlit keyboard keeps you on track.

Clarity, privacy and peace of mind

Unlock quickly and securely with the fingerprint reader. Then engage in crystal-clear video calls on the Full-HD webcam so you can make every moment with friends, family and colleagues count. And block the camera after the call with the physical privacy shutter to rest assured your life stays private.

Work the way you want it

Work the way you want it, wherever you need it, on this versatile 2-in-1 convertible IdeaPad Flex 5i Chromebook. You can swipe, tap and scroll to your heart's content. Switch to tablet mode to take advantage of an interface fully designed for touch. Grasp that creative thought instantly with the optional Lenovo USI Pen that writes like a real pen on paper. Stay focused all day with a battery life of more than 10 hours* without thinking about your charger.

* Battery life may vary based on device and upon usage and other conditions.
