Description

This 10-in-1 60W USB 3.0 Hub Charger Combo is the ideal desktop solution for your office and home, expanding your device's USB capacity with 10 additional USB ports. It comes with a 2-in-1 USB-A/C hybrid connection cable, making it easy to connect to your laptop or PC's USB-A or USB-C port.

The hub charger combination features 6 USB-A data ports and 1 USB-C data port, allowing you to connect your hard drives, flash drives, keyboard, mouse, printer, or other USB devices. Enjoy data transfer rates of up to 5Gbps, with backward compatibility with USB 2.0 and 1.1. Plus, it includes 2 USB-A charging ports and 1 USB-C charging port for fast charging of your devices. The hub automatically detects and charges various devices, such as mobile phones, tablets, iPads, iPhones, digital cameras, and more.

Equipped with a 60W power adapter, it supplies power to the USB hub to accelerate data transmission and maintain the device's stable working state during use.

Experience the convenience of data transfer and fast charging in one integrated solution!
