In-Desk USB Charger with Power Delivery & Quick Charge

Everything in one place

Enjoy the freedom of charging your mobile devices - such as smartphones or tablets - directly on your desk instead of at the socket. Simply connect the charging cable to one of the powerful USB charging ports and your device will reach power with up to 27 watts.

Full power for 3 devices

Equipped with one USB Type-C® PD and two USB Type A (BC) ports, experience high charging speed for up to three devices simultaneously. You enjoy up to 27 watts of fast charging power on the USB Type-C® port and up to 10 watts on the Type A ports.

Simple installation

The desk hub is designed for cable bushings and holes with a diameter of 60 mm. No additional tools are needed for installation. For larger cable ducts with up to 80 mm in diameter the IB-HUB1407 is compatible with the IB-HUBA001 adapter ring.
