Compact Monochrome Laser Printer

Work smarter with an expertly designed machine, built for effortless efficiency. Keep your home or small office moving with long-lasting supplies with up to 3,000-page¹¹ replacement toners and print speeds of up to 30ppm⁹. Offering the latest industry-standard security, this compact device is easy to set up and connect. Experience flawless results reliably, every day.

HL-L2400DW

Key features:

- Fast print speeds of up to 30 pages per minute⁹
- Paper capacity up to 250 sheets and manual feed slot⁶
- Automatic 2-sided (duplex) printing
- 2.4/5GHz Wi-Fi, Wi-Fi Direct and USB connectivity
- Print directly from desktop or mobile app⁷
- 64MB internal memory
- Up to 700 pages in-box toners¹¹
- High-yield replacement toners available, up to 3,000 pages¹¹

Work Smarter

Expertly designed to increase efficiency with print speeds of up to 30ppm⁹ that help you work smarter. The 2-sided (duplex) print feature will save you time, enabling you to get on with other tasks.

Print Longer

The HL-L2400DW keeps your printing costs down using a separate drum and toner unit, and the 700-page¹¹ in-box toner supports your print volume needs. Toner are easy to change with a high-yield replacement toner available to print up to 3,000 pages¹¹, reducing your frequency to replace.

Effortless

Make your day easier and your printing tasks a breeze, with simple set up using the Brother Mobile Connect app, enabling you to print documents from your mobile device⁷. Make the most of fast 2.4/5GHz Wi-Fi or USB connection and an easy to navigate LCD display.

Secure by Design

To keep pace with the ever-evolving legislation on privacy and data security, our devices offer the latest industry-standard security features to securely protect your data. The HL-L2400DW provides a range of robust features including triple-layer security at a device, network and document level which is verified through external security certification. This offers added peace of mind and guarantees that the integrity of your data is maintained at every step.

Compact and Expertly Engineered

Designed by experts, our most compact monochrome printer delivers high-quality outputs in a small footprint, allowing you to make the most of your home or small office space. Every component has been optimised to reduce the overall size of the device without compromising on performance. With easy paper access, this device has been developed to meet the needs of a busy home or small office.

Brother at your side support

Wherever you are in Australia, Brother offers free product support for the lifetime of your product.

| General | |
|---|---|
| Engine | Mono Laser |
