## DESCRIPTION:

**ECLIPSE** is an in-ear headset with Active Noise Cancelling and Noise-Free Calls technology.

Active Noise Cancelling enables immersive listening by isolating from ambient noises and sounds.

Noise-Free Calls ensure a crystal-clear voice in every call, as microphones detect and eliminate noises that disrupt your voice.

Item Code: **BTECLIPSETWS..**

**Wireless headset with charging case and ANC plus ENC technology.**

### Technical Features:

- **ACTIVE NOISE CANCELLING TECHNOLOGY:** innovative noise reduction technology detects, compares, and eliminates external low-frequency noise by cancelling it out;
