EL Socket 4 power outlet U/J white 2,5m

The MicroConnect EL Socket with 4 power outlets provides a convenient and reliable power extension solution for your home or office. This white power strip features four grounded outlets, adhering to EU standards, allowing you to power multiple devices simultaneously. With a 2.5-meter cable, you gain flexibility in placing your electronics where you need them, without being restricted by the proximity of wall sockets. Built with quality components, this power socket ensures safe and efficient power distribution. MicroConnect brings over 20 years of European design and expertise to this essential electrical accessory, offering a blend of premium quality and fair pricing. This power extension is ideal for powering computers, peripherals, and other electronic devices while maintaining a clean and organized workspace.
