MPN: GRUELU4H050

EL Socket 4 power outlet U/J white 5m

The MicroConnect EL Socket with 4 power outlets provides a convenient and safe solution for expanding your power access. This extension cord features four grounded outlets, allowing you to power multiple devices from a single socket. The 5-meter cable offers extended reach, making it ideal for use in homes, offices, or workshops where power outlets are limited. Designed with European safety standards in mind, this white power extension ensures reliable performance and protection for your valuable electronics. With over 20 years of experience, MicroConnect delivers premium quality and dependable power solutions, ensuring your devices stay connected and powered.
