### Product Description

---

Featuring an ultra-wide 34" screen with a design to boost productivity and maximize output, the ViewSonic® VG3456A is a docking monitor that transforms your desktop into a streamlined and efficient workspace. With WQHD 3440 x 1440 resolution, the VG3456A delivers 2.4 times more pixels than standard Full HD monitors, giving users more detail for enhanced productivity. VG3456A provides an amazing Delta E<2 value and 100% sRGB color gamut for incredible and precise color accuracy. A 21:9 aspect ratio and slim bezels provide extra screen real estate so users can display more content, switch between applications more quickly, view documents side by side, and view multiple windows at once. Enjoy reliable and flexible network connectivity with the integrated gigabit Ethernet port while the latest USB Type-C connectivity provides up to 100W power delivery to your laptop. That's not all, the integrated USB hub also provides single-cable simplicity for connecting and charging your peripherals and accessories. In addition, the included vDisplayManager software gives you quick and easy OSD control, as well as customized screen templates for easy multi-tasking. This monitor is also shipped in eco-friendly biodegradable packaging, along with an easy-to-install quick release stand that makes for quick deployment and a lower total cost of ownership.

# Specifications
