DECT™ security

Savi 7300 headsets don't just meet security expectations, they exceed them with secure pairing, 128-bit authentication, and military-grade features, such as 256-bit AFS encryption. Conversations stay private and secure.

Interference-free audio

With 2x better density than other DECT™ headsets, more people in shared spaces benefit from wireless headsets with clear, interference-free audio. IT can deploy more Savi 7300 Office Series compared to other DECT™ headsets without concern.

Keep conversations private

Make sure nearby conversations are not overheard. The noise-canceling microphone enhanced with Poly Acoustic Fence technology, that meets the Microsoft Teams Open Office specification, private conversations stay private¹.

DECT™ security standards

Designed to meet the highest-level DECT™ Security Step C enhanced with military-grade FIPS 140-2 listed features, such as 256-bit AES encryption.²

Meet enterprise security needs

Ideal for use in financial, medical, and government environments, where Bluetooth® technology is typically banned.

Remote management

Stay in control with remote device management for settings, firmware, and security updates.

Roaming range

Give users more freedom to move with a line-of-sight wireless range of up to 580 ft/180 m.

Poly Savi 7310-M Office DECT 1880-1900 MHz Single Ear Headset

Specifications

Connectivity and communications

Wireless range: Up to 180 m in open area; Up to 55 m in typical office environment
Connection type: DECT™
Ear cushions: Artificial leather (surface material)
Headphone type: On-ear (monaural)
Base ringer: Incoming calls (when not wearing the headset)
Base controls: Desk phone configuration; Softphone selector; Microsoft Teams button
Voice alerts: Volume maximum; Volume minimum; Mute on; Mute off; Muted; Connection status; Talk time; Battery low

User interface features

Button user controls: Call answer/end; Mute; Volume +/-; Power on/off; Microsoft Teams

Audio

Audio features:
Noise and echo reduction
Speaker bandwidth: 20 Hz to 20 kHz (multimedia mode); 100 Hz to 6.8 kHz (wideband mode)
Speaker size: 14.2 mm
Charge time: 2 hours

Battery

Battery life: Up to 13 hours (talk time); Up to 52 hours (standby time)
Battery description: Rechargeable Li-Ion polymer
Battery capacity: 500 mAh

Certifications

Certified collaboration software: Microsoft Teams
Special features: Adjustable headband

Environmental

Acoustic protection technology: SoundGuard Digital¹²

Applications supported

Management software:
Plantronics Hub (desktop)
Plantronics Manager Pro suites (Asset Management and Adoption, Call Quality and Analytics, Health and Safety)

Weight and dimensions

Product Primary Color: Black
UPC number: 196548586585
Product number: 8D3K7AA

Warranty

Poly standard two-year limited warranty

What is in the box

Wireless headset
Office base
Micro USB to Type-A cable
Micro USB to Type-C® cable
USB Type-C® to USB Type-A cable
Telephone cable
Quick start guide

Key Selling Points Footnotes

¹ Make sure nearby conversations are not overheard. The noise-canceling microphone enhanced with Poly Acoustic Fence technology, that meets the Microsoft Teams Open Office specification, private conversations stay private. ² DECT security standards can be found on <https://etsi.org> ³ Microsoft Teams Open Office Premium Microphone certification: All headsets are tested to provide clear audio, but open office and other noisy environments pose a greater challenge. Headsets with this designation pick up the voice of the headset user but do not transmit the sound of their neighbors.

Technical Specifications Footnotes

¹ SoundGuard Digital Plantronics owns sophisticated algorithms including: Protects against Acoustic Shock by limiting sounds to below 118 dBA; G616 anti-startle protection that limits the noise level to below 102 dB SPL and is therefore compliant to the Australian Communications Industry Forum (ACIF) G616 recommendation; Average daily noise exposure measures and controls sound to prevent the average daily sounds exposure from exceeding 80 dBA or 85 dBA time-weighted average (TWA). ² Requires Poly Lens Desktop App to enable SoundGuard Digital features.
