-------------------------------	-------------------

Love multitasking? So does the Lyra – with the ability to connect up to three devices via USB receiver and 2x Bluetooth, you can easily switch between typing on your phone, tablet and computer using the three dedicated buttons.

The key to greener working

Take one step closer to sustainable working with the Lyra. Made with 85% recycled plastics and packaged in 100% plastic-free packaging, the Lyra may be different in colour, but it's certainly green too.

Working overtime

Don't worry about faffing around with changing batteries anymore – complete with rechargeable battery, this keyboard lasts up to 6 months on a single charge, and can easily be recharged whilst working in just two hours.

Yes to OS

Designed with convenience in mind, the Lyra is compatible with Windows, iOS, iPadOs, MacOS, Android and Chrome OS so you can use it with all your different devices.

Keeping a low profile

Ideal for travelers and commuters (or just those who want a smaller keyboard!), the Lyra has a compact size, low-profile laptop style scissor keys, and 3-step height adjustable rubber feet for easy work in the office, at home, and on the go.

Easy key-sy

Easily accessible media and hotkeys help you further optimise your workflow so you can present, work and play at the touch of a button.

Extended retailer text**Complete Office Convenience**

With the right tools, you can get the job done. This versatile 4-in-1 set gives your home office the accessory upgrade that puts everything in place. The set includes a mouse, keyboard, headset and mousepad that are specially designed for the home office; whether you're working on business or leisure projects.

Comfortable Typing

With the right keyboard, typing should be comfortable for hours on end. The keyboard in this set supports you throughout your day with fold-out feet to get the right height, and a full-size key layout, offering control at your fingertips. Furthermore, the spill-resistant design makes it well suited for home office use.

Mouse Control

The wireless mouse gives ample working freedom with a 6m wireless range, plus you can easily store the USB micro-receiver when the day is done. The ambidextrous mouse can be operated by both left and right-handed users, and you can set your preferred speed with a speed-select button (1000 – 1600 DPI). The included mousepad has an optimised surface texture so you can operate your mouse smoothly.

Clear Calls

Take calls and manage meetings with clear sound. The adjustable, sensitive microphone picks up your voice clearly and you can manage the volume with the inline control. An adjustable headband and lightweight design make it a pleasant wear, no matter how long the call.

Complete Set

With the Trust Qobi 4-in-1 Home Office Set you have everything you need for a seamless work-from-home experience. This set includes the Trino HD Webcam, the Reno Headset and the Ximo Wireless Keyboard and Mouse Set. Four items that will make working from home a breeze.

Wireless Keyboard and Mouse

The Ximo Wireless Keyboard has a full-size layout with a comfortable keystroke. It comes with a USB Micro Receiver that has a wireless connection of up to 10m. What makes it extra convenient is that the included Ximo Wireless Mouse uses the exact same receiver, so you don't have to use two different USB connections in your PC or laptop.

Webcam

The Trino HD Webcam comes in handy during video calls. This 720p webcam uses an automatic white balance to create clear videos in any light condition. It comes with a handy stand to attach it to your monitor.

Headset

Thanks to the Reno headset you won't have to worry about comfort when a meeting takes longer than planned. The thick ear cushions and adjustable headband provide enough comfort, even during the longest video calls, while the sensitive microphone makes sure you are heard when discussing business strategies.
