

650171 17"-32" Single Monitor Mobile Workstation

Product Images

Featuring a durable and adjustable design, the mobile workstation allows you to move your monitor easily to different locations. This is particularly useful in environments where you need to transition between workspaces or collaborate with others. The single-arm design provides flexibility in adjusting the monitor to your preferred height and angle, promoting ergonomic comfort.

Installation is typically straightforward, and the mobile workstation often comes with caster wheels for easy movement. The design may include additional features such as a tray for a keyboard and mouse, making it a comprehensive solution for a mobile and ergonomic workstation.

Additional Information

Color	Black
EAN	4015867236260
Model Number	650171
Approval and Compliance	RoHS & REACH
Package Contents	Monitor Mobile Carts User Manual Screws kits
