

Thule Subterra 2 Carry-On Spinner TSRS422

The Thule Subterra 55cm Carry-On Spinner is a versatile carry-on suitcase that helps you maximize packing space and organize your items..

- Fold-flat divider separates items:** Use the flat-fold divider when needed to organize and separate items like shoes from clothes
- Smooth and easy transport:** Quiet-rolling spinner wheels and V-tubing telescoping handle offer effortless maneuverability
- Maximize space with removable compression panel:** Compress your clothing and maximize packing space with included compression panel that can be removed and used on its own
- Quick access exterior pocket:** Easily access items in the large top-loading pocket
- Compression straps to increase space:** Traditional compression strap system can be used together with the included compression panel or on its own
- Built to last:** Bag design absorbs the impact of travel with its durable, molded polycarbonate back panel
- Easy identification:** Built in ID card slot simplifies identification of bag
- A bluesign® certified product:** bluesign® is a strict international criteria that ensures the protection of workers, consumers, and the environment
- High quality construction:** Durable construction thanks to the YKK zippers and 800D nylon that has a water-resistant finish free from PFCs, chemicals that can be harmful to the environment
