- www.samsung.com/sar

Exposure to Radio Frequency (RF) signals

For information, visit www.samsung.com/us/support/legal/mobile then select **Health and Safety Information** > **Radio Frequency (RF) signals**

Safe Handling & Recycling of batteries

WARNING! Never dispose of batteries in a fire because they may explode. Do not disassemble, crush, puncture, heat, burn or reuse batteries.

For more information, visit call2recycle.org or call 1-800-822-8837. Alternatively, visit:

www.samsung.com/recycling or call 1-800-SAMSUNG.

FCC Part 15 Information and Notices

This device complies with part 15 of the FCC Rules. Operation is subject to conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Operate devices that support wireless power sharing at least 8 inches/20 cm away from your body.

Emergency calls

Emergency calls may not be possible on all wireless mobile device networks or when certain network services and/or mobile device features are in use. Check with local service providers. If certain features are in use (e.g. call blocking) you may first need to deactivate those features before you can make an emergency call.

Pacemaker and implantable medical devices

CAUTION! Persons who have implantable medical devices should consult their health care provider before using mobile electronic devices. For more information, visit www.samsung.com/us/support/legal/mobile then select **Health and Safety Information** > **FCC Part 15 Information and Notices**

WARNING: Your Samsung device contains magnets. Keep it away from credit cards and devices that may be affected by magnets. Keep your Samsung device more than 6 in./15cm away from medical devices. If you suspect interference with a medical device, stop using your Samsung device and consult your medical provider.
