- LED indicator lets you know at a glance connected devices are receiving power
- Rectangular wood platform supports monitor or other devices up to 44 lb.

Package Includes

- MR229USB Monitor Riser
- USB cable
- AC power adapter
- Owner's manual

Features

Maintenance-Free Computer Monitor Stand Raises Your Screen for Comfortable Viewing
This desk monitor riser allows you some flexibility in placing your monitor for maximum comfort. The legs raise your laptop or monitor 3.1 inches (80 millimeters) above the surface of your desk, so you can view your screen while lessening strain on your eyes and neck. Lifting your monitor also frees up valuable space on your desk, table or counter at home, school or office.

Rugged Wood and Metal Construction Supports Up to 44 Pounds
The wood platform measures 21.8 x 8.5 inches (554 x 215 millimeters) and supports monitors, laptops, printers, small televisions and other devices weighing up to 44 pounds (20 kilograms). A keyboard fits beneath it when not in use to clear up useful space on your desktop.

USB Ports Keep Essential Workplace Accessories Ready
One Quick Charge port and two USB-A ports allow powering and charging of phones and tablets. An LED indicator shows you that your connected devices are receiving power. A USB cable and AC power supply are included.

Sets Up Quickly and Easily in Just a Few Seconds
This monitor stand riser requires no assembly and is ready to use right out of the box. The legs are designed to prevent slipping on a level surface.
