- Rectangular glass platform supports monitor or other devices up to 44 lb.

Package Includes

- MR248USBG Monitor Riser
- USB cable
- Audio cables
- AC power adapter
- Owner’s manual

Features

Maintenance-Free Computer Monitor Stand Raises Your Screen for Comfortable Viewing
This desk monitor riser allows you some flexibility in placing your monitor for maximum comfort. The legs adjust to heights of 3.1 inches (80 millimeters), 4.3 inches (110 millimeters) and 5.1 inches (130 millimeters), so you can view your monitor while lessening strain on your eyes and neck. Lifting your monitor also frees up valuable space on your desk, table or counter at home, school or office.

Rugged Glass and Aluminum Construction Supports Up to 44 Pounds
The tempered glass platform measures 22.8 x 8.3 inches (580 x 210 millimeters) and supports monitors, laptops, printers, small televisions and other devices weighing up to 44 pounds (20 kilograms). A keyboard fits beneath it when not in use to clear up useful space on your desktop.

USB and Audio Ports Keep Essential Workplace Accessories Ready
Three USB-A ports and two Quick Charge ports allow powering and charging of phones and tablets. A pair of 3.5 mm audio ports support a microphone and speakers. A storage slot built into one end keeps necessary office supplies at your fingertips.

Sets Up Quickly and Easily in Just a Few Seconds
This monitor stand riser assembles in moments with no tools or permanent mounting required. The legs are designed to prevent slipping on a level surface.
