- Eases eye and neck strain while clearing valuable space on your desk or table
- Assembles in just a few minutes with all hardware included

Package Includes

- MR4010 Dual-Monitor Riser for Desk
- Assembly hardware
- Owner's manual

Features

Maintenance-Free Computer Monitor Stand Raises Your Screens for Comfortable Viewing
This desk monitor riser allows you some flexibility in placing your monitors for maximum comfort. Solid steel feet lift your monitors 4.9 inches (124 millimeters) above your desk's surface, so you can work while lessening strain on your eyes and neck. Lifting your monitors also frees up valuable space on your desk, table or counter at home, school or office.

Sturdy Wood Construction Supports Up to 44 Pounds
The rectangular wooden platform measures 39.4 x 10.2 inches (1000 x 260 millimeters) and supports two monitors, laptops, printers, small televisions and other devices weighing up to 44 pounds (20 kilograms).

Sets Up Easily in Just a Few Minutes
This monitor stand riser assembles quickly with all hardware included.
