

## FP340UW-DE Privacy Screen for Dell 34" P3424WE Curved Monitor

Part Number: K52132WW | UPC Code: 0 85896 52132 7

Privacy begins  
on screen.

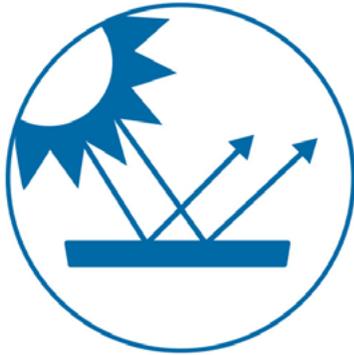

Introducing our privacy screen protection solution designed specifically for the Dell 34" (P3424WE) monitor. Engineered with a limited viewing angle of +/- 30° to safeguard sensitive information, this advanced solution reduces harmful blue light by 30% and easily installs using frameless tab holders or double-sided tape. The reversible design provides a matte side for glare reduction, featuring an antimicrobial coating to protect the product. TAA compliant, this protector not only shields against scratches but also includes a cleaning cloth and ensures a crystal-clear view with its anti-reflective coating. Enhance your Dell 34" (P3424WE) monitor experience with our privacy screen protection solution.

Features include:

- **Anti-Reflective Coating**
- **Multiple installation options**
- **Limits viewing angle to +/- 30°**
- **Blue light reduction**
- **Reversible viewing**
- **Antimicrobial coating**
- **TAA-compliant**

Part Number: K52132WW | UPC Code: 0 85896 52132 7

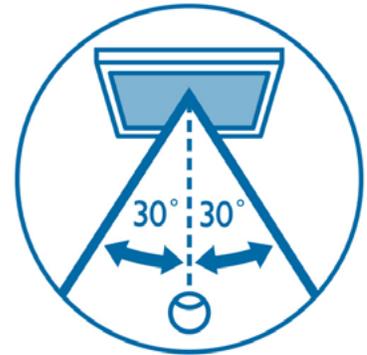

### Anti-Reflective Coating

Reduces glare from any outside light sources that can interfere with your viewing clarity.

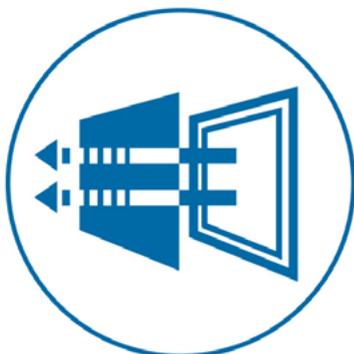

### Installation Options

The privacy screen can be mounted either with the included frameless tab holders that attach to the edges of your monitor, letting you quickly and easily insert or remove the privacy screen, or you can mount it with double-sided tape that adheres directly to the screen for a cleaner look.

### Limited Viewing Angle

Narrows the field of vision to +/- 30 degrees, helping you keep the information on your screen private and reducing the chances of a visual data breach.

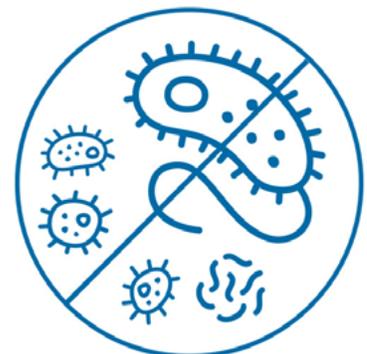

### Blue Light Reduction

Filters out the harmful rays by up to 30%, easing eye strain and reducing the chances of blue light interrupting your natural sleep patterns.

### Reversible Viewing

One side has a matte finish to maximize glare reduction and reduce traces of fingerprints. The other side is glossy and provides a clearer view of the monitor.

### Antimicrobial Coating

Antimicrobial coating to protect product.
