

MPN: RWMIP66W09U45W

by Logon 19" Rack Cabinet 9U 60 x 40 Wallmount IP66

Product Dimensions: 600 x 450 x 505mm

Note: The depth is higher because of the protruding roof, the depth without roof is 400mm (see the drawing for more details)

Colored strips located at the sides of the 4mm, antistatic, tempered, smoothed glass, door having an extruded aluminum frame and high fracture resistance present a decorative view.

In free standing type applications, they may be used with optional pinion feet or caster group.

By attaching ventilation module with 2 fans maximum (in option) to the ventilation hole at the upper chassis of the cabinet, active ventilation is achieved.

If no fan module is attached, these ventilation holes enable air circulation inside cabinet and discharging of the hot air by passive ventilation.

Since the side doors are fixed and not detachable, access to the cabinet is ensured only from the front in wall mounting applications and from the back and front in free standing applications.

Standard cabinet is delivered having 1 set and 2 device installation rails mounted thereon. Device installation rails enable the depth adjustments of the devices to be applied into the cabinet.

By means of 145mm x 70mm cable inlet holes at the upper, lower and rear door of the cabinet, it provides cable inlet at 3 directions which in turn facilitates installation.

Thanks to the rubber edged cable entry module, movable for 0-50 mm and with sliding compression system, incoming cables are compressed safely whereas dust is reduced inside at maximum levels.

- Steel Door
- Wallmount
- IP66
- RAL7035
- Cage nuts can be bought separate

Specifications

Features	Assembly required	No
	Cable entry point	Yes
	Castor wheels	No
	Cooling type	Passive
	Frame type	Closed
	Front door construction	Steel
	Front door key lock	Yes

Features	International Protection (IP) code	IP66
	Key lock	Yes
	Locking points	3
	Material	Steel
	Mounting hole shape	Round
	Preamsembled	Yes
	Product colour	White
	Rack capacity	9U
	Rack rails	Yes
	Removable back door	No
	Removable side panels	No
	Soundproof	No
	Type	IP66 Outdoor Rack
Other features	Dimensions (WxDxH)	600x400x505 mm
Vendor information	Brand Name	Lanview
	Warranty	5 Year(s)
Weight & dimensions	Size (imperial)	19 "
