

# Freestanding peripheral plate (for two poles) for Samsung 24" Kiosk - 02

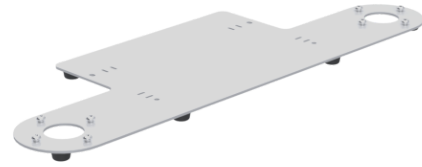

## SKS006-02

The Freestanding peripheral plate (for one pole) allows for additional peripherals to be combined with the Samsung 24" kiosk.

This allows for combining the kiosk with one pole with a peripheral mount, where, for example, an external payment devices can be added.

The Freestanding peripheral plate sits underneath the Samsung kiosk and allows for neat cable management.

Compatible with two poles and a peripheral mount for additional flexibility with external devices  
Enables external devices, such as payment terminals, to be mounted securely with the Samsung 24" kiosk  
Located beneath the kiosk to provide neat and organized cable management  
5-year warranty
