PHILIPS

Highlights

Safe LED technology

These Philips candles are cool to touch thanks to the use of LED technology. You can create the perfect ambiance without the risk of open flames, hot wax or smoke.

Natural warm candle light

These candles provide a warm white light with a gentle natural glowing effect. The light effect is so similar to real candles that it's hard to tell the difference.

Easy to recharge

Simply charge the LED candle lights on the induction charger.

Freedom of placement

Thanks to the integrated battery, the Philips LED candle lights will operate without the hassle of wires when they are charged. You can place them everywhere from a table to a small corner or even on a bookshelf.

Inside tealight is removable

Inside tealight is removable to fit into any existing tealight holder.

IP44 - Weatherproof

These LED candle lights are also suited for outdoor use thanks to IP44. Bring a touch of ambiance to your garden space!

Real glass candle holders

These candles come with real glass holders. Thanks to the timeless design, they easily fit any interior.

Easy to switch on and off

By tilting the LED candle light you can switch it on and off. Surprisingly easy and funny.
