Neomounts Mobile TV Floor Stand for 37-85" screen, Height Adjustable - Black

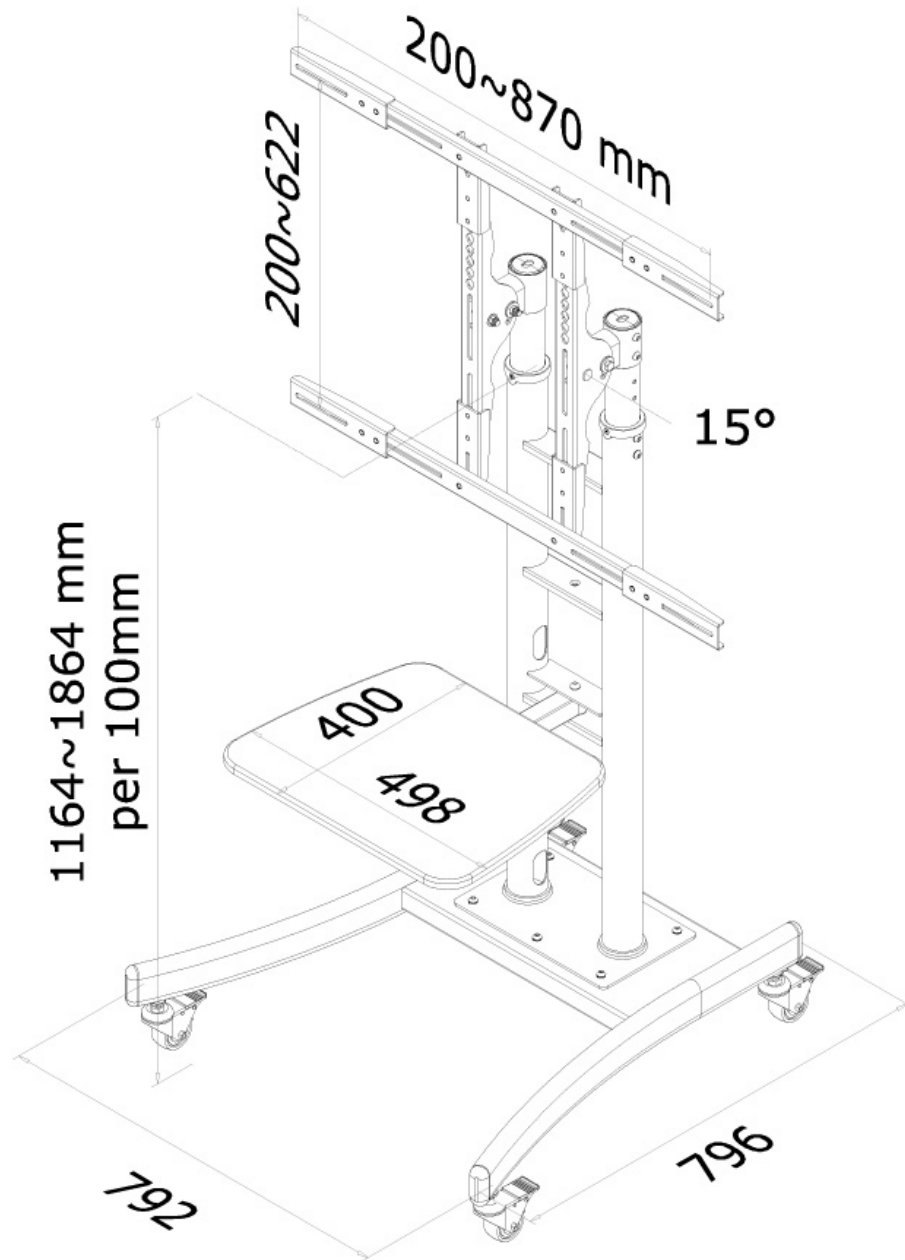

The Neomounts PLASMA-M2000E is a mobile floor stand for screens up to 85" and a weight capacity of 125 kg. This trolley allows you to use a large display over multiple rooms. Enjoy the optimal viewing positioning for both standing and seated audiences, wherever you like.

The versatile tilt (15°) technology allows the trolley to change to any desired viewing angle to fully benefit from the capabilities of the screen. The mount is manually adjustable in height from 115 to 185 cm, while the practical cable management conceals and routes cables from screen to floor.

The PLASMA-M2000E features four solid castor wheels with brake to easily move it to another location. Installation is easy and can be done quickly.
