

MPN: RAB405WH

by Logon 2U 19" SNAP LOCKING, VENTED BLANK PANEL WHITE

Blanking Panels with a vented design enables unobstructed airflow through your rack, to help ensure your equipment is running at an optimal temperature.

Without blanking panels, the hot exhaust air from the rear of the servers will recirculate through empty spaces in the server rack into the air intakes on the front of the servers which will significantly reduce the cooling efficiency of the system.

Blanking panels are the easiest and first step towards achieving your Power Usage Effectiveness (PUE) goals. Along with the increase in airflow efficiency, the blanking panels give your rack a seamless and professional appearance.

- RAL7035
- Snap locking
- Ventilation slots

Specifications

Features	Compatible rack width	19 "
	Easy mounting	Yes
	Housing material	Steel
	Number of attachment points	2
	Perforated	Yes
	Preamsembled	Yes
	Product colour	White
	Rack capacity	2U
	RoHS compliance	Yes
	Type	Blanking Panel - Snap type
Other features	Dimensions (WxDxH)	482x15x88 mm
	Rack mounting	Yes
Vendor information	Brand Name	Lanview
	Warranty	5 Year(s)
