

MPN: FIBLCMU-01

Optical Fibre Cable, LC-MU, Simplex, (Yellow) 1m

The MicroConnect FIBLCMU-01 Optical Fibre Cable provides a reliable, high-speed connection for your networking needs. This simplex fibre optic cable features LC to MU connectors, ensuring compatibility with a variety of devices. Measuring 1 meter in length, it's ideal for short-distance connections within a server rack or between closely located equipment. The yellow jacket signifies its single-mode fibre type. Built with premium quality materials, this cable delivers exceptional data transfer performance and minimizes signal loss. Trust MicroConnect's 20+ years of expertise for pioneering connectivity solutions and ensuring a stable, efficient network.

- Designed for Data Centers, Industry and Computer Centers
- LSZH (Low Smoke Zero Halogen) and flame retardant
- RoHS compliant
- Fibre Standard G.652.D
