

MPN: FIBLCMU-05

Optical Fibre Cable, LC-MU, Simplex, (Yellow) 5m

The Optical Fibre Cable, LC-MU Simplex, provides a reliable and high-speed data connection for demanding network environments. This 5-meter yellow cable is meticulously crafted to ensure optimal signal transmission with minimal loss. Featuring LC to MU connectors, it offers secure and efficient connectivity for various optical networking applications. MicroConnect's commitment to quality ensures this fiber optic cable meets stringent European design standards, delivering dependable performance and durability. With over 20 years of expertise, MicroConnect provides pioneering connectivity solutions at fair prices. Ideal for data centers, telecommunications, and enterprise networks, this simplex fiber cable offers a seamless solution for your high-bandwidth needs.

- Designed for Data Centers, Industry and Computer Centers
- LSZH (Low Smoke Zero Halogen) and flame retardant
- RoHS compliant
- Fibre Standard G.652.D

Specifications

Features	Cable length	5 m
	Connector 1	LC/UPC
	Connector 1 gender	Male
	Connector 2	MU/UPC
	Connector 2 gender	Male
	Fiber mode structure	Multi-mode
	Fibre optic type	OM4
	Product colour	Yellow
Technical details	Full duplex	No
Vendor information	Brand Name	MicroConnect
	Warranty	25 Year(s)
