

MPN: FIBLCMUMU-01

Optical Fibre Cable, MU-MU, Simplex, (Yellow) 1m

The MicroConnect FIBLCMUMU-01 is a high-quality 1-meter Optical Fibre Cable, designed with MU-MU connectors for reliable and efficient data transmission. This simplex cable, distinguished by its yellow jacket, ensures easy identification and proper installation in complex network environments. Built to European standards, this fiber optic cable delivers exceptional performance and durability for demanding applications. Benefit from MicroConnect's 20+ years of expertise in providing premium connectivity solutions, ensuring a secure and stable connection for your critical data infrastructure. This pioneering fiber cable guarantees seamless integration and superior signal integrity, reflecting our commitment to innovation and quality.

- Designed for Data Centers, Industry and Computer Centers
- LSZH (Low Smoke Zero Halogen) and flame retardant
- RoHS compliant
- Fibre Standard G.652.D

Specifications

Features	Cable length	1 m
	Connector 1	MU/UPC
	Connector 1 gender	Male
	Connector 2	MU/UPC
	Connector 2 gender	Male
	Fiber mode structure	Single-mode
	Fibre optic type	OS2
	Product colour	Yellow
Technical details	Full duplex	No
Vendor information	Brand Name	MicroConnect
	Warranty	25 Year(s)
