## Peripheral locking kit, Security lock with keys for K-Slot

Protect your electronic device in public places such as in the office, at school or while travelling. The security lock keeps your device, personal information and data safe from theft. It is easy to install and you can anchor your device securely to your desk, table or any other fixed object.

The security locks work with all tablets, notebooks, desktops, monitors, docking stations or other compatible devices fitted with K-Slot.

- Ø4.5mm x 180cm
- Cut-resistant 7x7 twisted strand carbon steel with protective cover
- Zinc-alloy lock-head
- Peripheral locking kit with anchor plate
- K-Slot is used for devices fitted with 3 x 7 mm security slots. This standard is also known as T-Bar or Kensington Standard Slot.
