

## V7 Safe Sound 2 Over-Ear Education Headset

### HU590E

SKU: CK04099

#### Designed Specially for the Classroom

Children need tools for learning and schools need them to withstand the rigors of the classroom. V7 Safe Sound 2 headsets are built to fit children and specially tuned for use with educational applications.

Safe Sound 2 headsets include an outstanding range of features including antimicrobial construction, replaceable braided cables and adjustable acoustic output control designed to protect a student's hearing. We've even tested Safe Sound to military durability standard!

Each Safe Sound 2 headset includes both a 3.5mm Mini-phone cable, a combination USB-A/C cable and ships in a resealable storage bag.

- Adjustable acoustic output control protects kids hearing
- Interchangeable mini-phone (3.5mm) and combination USB-A/C cables
- Padded ear cushions and fully adjustable headband
- Constructed with antimicrobial materials
- Rotatable boom microphone
