

ThinkCentre M80q Gen 4

New-gen professionals will love the tiny PC packed with powerful performance-boosting features, including up to 13th Gen Intel i9 processor with up to 32 cores – which means users can work on multiple applications and experience superior computing speed every time. Up to 3 storage drives – 1x 2.5" HDD up to 1TB and 2x M.2 SSD up to 2TB each – make it a silent, fast-performing device with more storage capacity.

MIL-STD-810H tested means a durable and resilient device against accidental drops or spills. A ENERGY STAR 8.0 certified energy-conscious device with optional EPEAT Silver. Opt for the TÜV Rheinland Ultra Low Noise feature to make it a noiseless device.

This tiny form factor comes with ample front and rear ports, which include up to 7 USB ports, HDMI, and 1x DisplayPort port; it supports up to 4 independent displays via the onboard ports.

ENERGY STAR® 8.0 and optional EPEAT Silver certifications make it an energy-efficient device.

Mainstream computing for a variety of business uses

This mainstream ThinkCentre M8 series Tiny offers full desktop performance, connectivity and security features all in a micro form factor.

Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..
