Freedom to work your way

The Blackwire 3200 Series provides a quality audio experience in a headset that's built for enterprise needs. With a sleek design and flexible microphone boom for a customizable fit, what's not to love?

Poly signature audio quality

Experience the high-quality audio you expect with a headset that offers PC wideband and a noise-canceling mic.

Advanced connectivity

Manage calls on your preferred device with the comfort and durability of a corded headset.

Long-lasting comfort and portability

Relax knowing your headset is secure - lightweight metal headband offers durability plus a custom fit.

Featuring Enhanced call quality

Dynamic EQ optimizes your calls and auto-adjusts for high-quality media sound.

Connectivity options

Options for your device - PC: USB-C cord with tethered USB-A adapter and Mobile/Tablet: 3.5 mm connectivity.

Wearing style

Keep one ear open with the monaural wearing style.

Lightweight design

Lightweight headband with a comfortable custom fit.

Simple call management

Use the intuitive inline controls to answer/end calls, control volume, and mute to simplify call management.

Optimized for communications platforms

This headset is optimized and certified to work with top virtual meeting providers.
