Galaxy Book4 Pro 360

Touchscreen

Meet Galaxy Book4 Pro 360, the new way to PC for your business

Pursue your business goals with the incredible power of Galaxy Book4 Pro 360, complete with a brilliant display and the ability to easily connect to other Galaxy devices — all in a 2-in-1 design ideal for your fast-paced world.

Equipped with the latest Intel® Core™ Ultra processor, this laptop delivers the power to effortlessly update an online storefront, keep tabs on financials or edit photos and videos for a client. It's thin and light too, making it the perfect travel-ready device, from the office to the coffee shop or anywhere your team needs to go.

The 2-in-1 design gives your team the flexibility to stay productive whether they're illustrating a concept in tablet mode with the included S Pen, finalizing a pitch deck for a new client or streaming a webinar. Plus, all the details stand out on a stunningly clear 16" Dynamic AMOLED 2X display with anti-reflective technology that boosts visibility at any angle without a distracting glare.

Need to stay connected to grow your business ideas? You and your team will be on top of every beat with paired Galaxy devices that help ensure calls and texts are received when it matters most. Expand your workspace by using your Galaxy Tab S9 Series device as a second screen¹ and easily transfer files in a snap with Quick Share². Plus, have peace of mind knowing this laptop is fortified with Secured Core PC and Samsung Knox to help keep your business files and information protected.

Power to pursue your business goals — that's Galaxy Book4 Pro 360.

Power to keep your business moving forward

Blaze new paths with a powerful Intel® processor designed for business visionaries.

Power plus portability

Performance meets style in a sleek, premium design that's slim and easy to carry.
