#### PRODUCT FICHE

### Dryer 20012510 DH7S107BB

## USP :

| Wi-FI operation                                    | Integrated   |
|--|--|
| ConnectLife  | Yes  |
| Condensation efficiency class                      | Condensation efficiency class A                    |
| Anti Crease  | Yes  |
| Type of display                                    | LCD display  |
| Personal settings for all programmes               | Yes  |
| Drum   | Long lasting stainless steel drum                  |
| Number of programmes                               | 20 programmes                                      |
| Twin Flow  | Yes  |
| Time delay   | Yes  |
| DelayEnd   | Yes  |
| Humidity sensor                                    | Yes  |
| AdaptDry: Memorizing intelligent system            | AdaptTech drying: Memorizing intelligent<br>system |
| Unique fibre treatment with the IonTech technology | IonTech technology                                 |
| Water container                                    | upper (5,6 I)                                      |
| Easy filter cleaning                               | Yes  |
| Drum illumination                                  | Yes  |
| Door opening angle                                 | 135 °  |
| Drum volume  | 125  |
| Speed 89'  | Yes  |

| Standard cotton programme time at full load  | 156 min            |
| Standard cotton programme time at partial load                                       | 119 min            |
| Weighted condensation efficiency   | 92 %               |
| Weighted annual energy consumption, electric dryer - NEW (2010/30/EC)                | 198,0 kWh/annum    |
| Weighted annual energy consumption, gas dryer, electric component - NEW (2010/30/EC) | N/A                |
| Weighted annual energy consumption, gas dryer - NEW (2010/30/EC)                     | N/A                |
| Weighted programme time  | 156 min            |
| This product contains fluorinated greenhouse gases                                   | No                 |
| Hermetically sealed  | No                 |
| Type of refrigerant  | R290               |
| Gas quantity measured in kg  | 0,0 kg             |
| The quantity expressed in CO2 equivalent   | 0,000 t            |
| ECO label  | N/A                |
| Application of EU Energy Label Regulation  | N/A                |
| Energy Smart appliance, able to optimise consumption pattern (2017/1369/EU)          | N/A                |
|  |                    |
