

5-Pack 1U Vertical 1.8 x 3.9in (4.5 x 10cm) Server Rack Cable Management D-Ring Hook; Network Rack-Mount Cord Organizer; Cable Manager for 19" and 10" Cabinets

Product ID: CMHOOK1UN5PK

Install this set of five 1U Vertical Cable Management Hooks internally/externally along the posts of a standard 19" 2/4-post server rack, to organize power and network cables.

The cable D-ring organizer features a 0.4in (11mm) opening to effortlessly insert bundled cables. Install multiple cable rings along the rack posts to improve airflow and minimize the port and connector strain.

Combine this cable manager with accessories (sold separately) such as hook and loop ties (HKLP100), plastic ties (CBMZT6BK), or a cable lacing bar (12S-CABLE-LACING-BAR).

This cable guide for racks and cabinets is constructed of steel and is compatible with any rack post that features 1U standard rack spacing. The powder-coated finish ensures durability, and the smooth surface prevents snagging and maintains cable integrity.

Certifications, Reports and Compatibility

Applications

Features

- **Control Vertical Cable Runs**: Mounts vertically to 2-post and 4-post racks and supports both 10-inch and 19-inch rack systems, making it easy to maintain clean, structured cabling in data centers or network closet
- **Protect ports and reduce cable strain**: Helps prevent stress on connected hardware by keeping cables neatly routed; 1.8 x 3.9in (4.5 x 10cm) D-ring made from durable steel for long-term reliability and meets EIA

RS-310-D standard

- **Install and scale flexibly**: 5-Pack 1U Network rack cable manager features a wide front opening for quick cable insertion; Combine multiple hook units for a customized rack layout
- **Reduce Thermal Buildup**: Supports passive cooling by keeping cables organized and out of airflow paths, helping maintain proper rack temperatures and prevent heat-related performance throttling
- **The IT Pro's Choice**: Built to keep racks tidy, organized, and airflow-efficient, our rack accessories are tested for strength and long-term performance; Backed by free lifetime 24/5 multilingual technical support

Hardware

Warranty	2 Years
U Height	1U
Industry Standards	EIA RS310-D
Orientation	Vertical

Special Notes / Requirements

Note	Installation hardware (e.g., cage nuts and screws) sold separately
