GC9635/26R1

Highlights

Ultra-powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even tough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

Ultra-lightweight iron

Your steam generator iron is amazingly light and comfortable to handle. It glides easily over your garments, removes the toughest creases in no time and reduces strain on your wrist. It also makes vertical steaming very easy and effective: you can now comfortably and effectively remove the creases in your delicate items, such as silk blouses, dresses and jackets, and even difficult-to-iron garments with pleats, decorations or buttons.

OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron all fabrics, from jeans to silk, with no burning guaranteed thanks to the perfect combination of temperature and continuous powerful steam.

Easy De-Calc Plus

Regular descaling protects your iron and ensures you'll continue to get the very best steam performance. The exclusively designed and ideally positioned Easy De-Calc Plus function provides the ideal way to get rid of limescale and extend the lifespan of your steam generator iron. The iron will remind you with both light and sound when it's time to clean and descale. Then when your appliance is cold,

simply remove the Easy De-Calc knob, collect the dirty water and scale into a cup and discard.

1.8 l detachable water tank

The detachable water tank allows you to easily refill anytime without stopping the appliance. It has a large filling hole so you can simply fill the water tank under the tap. It has a 1.8 l capacity, so you get the convenience of up to 2 hours of continuous use, with no need to top up the tank.

Safe carry lock

Your steam generator iron includes a safe carry lock, which securely fastens your iron to its base without the risk of it slipping or someone touching the hot soleplate. It ensures safe and easy transportation around the house, to and from storage.

Steam generator iron

Max. 7.5 bar pressure Up to 520 g steam boost, 1.8 l water tank capacity, Detachable water tank

Specifications

Storage

- Carry lock: For transportation and safety
- Cord storage: Cord storage compartment, Velcro fix
- Hose storage: Hose storage compartment

Easy to use

- Water tank capacity: 1800 ml
- Safe on all ironable fabrics: Even delicates like silk
- Heat-up time: 2 min
- Soleplate gliding performance: 5 stars
- Safety auto off
- Soleplate name: T-ionicGlide
- Detachable water tank
- Low water alert
- Refill anytime during use
- Tap water suitable
- Power cord length: 1.8 m
- Extra-stable heel rest
- Hose length: 1.7 m
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Soleplate scratch resistance: 5 stars
- Extra-large filling hole

Guarantee

- 2 year worldwide guarantee

Technology

- OptimalTEMP technology
- Cyclonic steam chamber
- For all ironable fabrics

- No burns
- No temperature settings needed
- Smart Control Processor

Fast crease removal

- Pressure: Max. 7.5 bar
- Power: Max 2700 W
- Continuous steam: Up to 155 g/min
- Steam boost: Up to 520 g
- Vertical steam
- Voltage: 220 - 240 V
- Variable steam levels
- Ready to use: 2 min
- Steam-on-demand

Green efficiency

- Energy saving mode
- Product packaging: 100% recyclable
- User manual: 100% recycled paper

Scale management

- Descaling and cleaning: Easy De-calc Plus
- Descaling reminder: Light, Yes

Size and weight

- Packaging dimensions (W x H x D): 31 x 35 x 51 cm
- Weight of iron: 0.8 kg
- Product dimensions (W x H x D): 23.3 x 28.5 x 45.3 cm
- Weight of iron + base: 5.1 kg
