Highlights

Ultimate light experience

Get a seamless gradient of rich, high-quality light. Each colour along the lightstrip flows naturally into one another, creating a unique effect.

Made for monitors

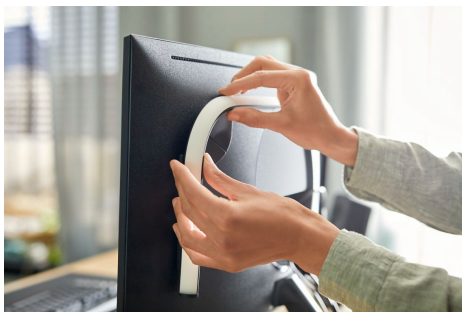

The Play gradient lightstrip mounts to the back of your single- or triple-monitor setup, bending easily around its corners.

Supercharge your surround lighting

When used with other colour-capable Philips Hue lights, you unleash the full power of surround lighting.

Easy to install

The Play gradient lightstrip comes in three sizes for single- and triple-monitor setups, and includes mounting clips, making it easy to attach to the back of your monitor.

Blend multiple colours of light

Colours flow naturally into one another, blending together and shining against the wall for a unique effect behind your monitor.

Personalise the experience

Switch modes, change the intensity and create shortcuts in the app for a personal experience every time you game.
