- Personalise the experience

# Highlights

## Ultimate light experience

Get a seamless gradient of rich, high-quality light. Each colour along the lightstrip flows naturally into one another, creating a unique effect.

## Made for monitors

The Play gradient lightstrip mounts to the back of your single- or triple-monitor setup, bending easily around its corners.

## Supercharge your surround lighting

When used with other colour-capable Philips Hue lights, you unleash the full power of surround lighting.

## Easy to install

The Play gradient lightstrip comes in three sizes for single- and triple-monitor setups, and includes mounting clips, making it easy to attach to the back of your monitor.

## Blend multiple colours of light

Colours flow naturally into one another, blending together and shining against the wall for a unique effect behind your monitor.

## Personalise the experience

Switch modes, change the intensity and create shortcuts in the app for a personal experience every time you game.
