The enterprise notebook that's anything but ordinary

Equip your high-producing teams with the Al-enhanced PC that delivers the power, security, and collaboration tools they need for working in the office or in a hybrid setting. The HP EliteBook 830 effectively meets the demands of multi-tasking teams across the globe.

Engineered for long lasting productivity from anywhere

Empower your hybrid workforce with the elevated conferencing capabilities, easily managed security, and Al-driven performance from the latest Intel® Core™ processor² with an NPU³ in the sleek HP EliteBook 830 purpose built for demanding enterprise workloads.

Collaboration personalized to you

Move freely and interact naturally using speakers tuned by Poly Studio with Al Noise Reduction⁴ and a 5MP camera, Dynamic Color Tuning⁴, and optional automatic framing.⁵ Expand collaboration opportunities with optional high-speed 5G⁶ connectivity.

Protected by HP Wolf Security

HP Wolf Security for Business creates a hardware-enforced, alwayson, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.⁷

*Product image may differ from actual product

Sustainability in action

Help protect our shared future

This PC contains at least 75-percent post-consumer recycled plastic in the bezel⁸ and provides power data tracking and suggestions to reduce energy use representing the latest in responsible design from HP.⁹

Featuring

HP Recommends Windows 11 Pro for business with Copilot in Windows

Work anywhere without compromising on performance with Windows 11¹ and HP collaboration, security, and connectivity technology. Summarize and rewrite content, get relevant content recommendations, and stay organized with Copilot in Windows.¹⁰

Intel[®] powers PCs enhanced by AI

Free up time to focus on what matters with an Intel[®] Core^{™ 2} processor purposely built for the next era of AI software. Three compute engines³ manage AI workloads, help improve video conferencing, and allow for advanced content creation.

Optimize PC performance

Work without distraction with HP Smart Sense¹¹ which makes automatic adjustments keeping your system cool and quiet and lets you enable performance mode when you need it most.

Easy battery management

Manage and monitor your battery's performance and condition and customize charging options with the easy-to-use HP Power Manager dashboard.⁴

Balanced light for a clear image

Make sure you can clearly be seen on calls with Dynamic Color Tuning⁴ that adjusts camera auto-color and auto-white balance for a more natural color when you are in front of a monochromatic background.

Hear and be heard

Dynamic Voice Leveling⁴ automatically optimizes voice clarity within 3-meters of the PC. Al Noise Reduction⁴ uses noise-filtering technology to enhance audio conferencing experiences.

Automatic framing

Move around a little without losing viewers' attention during video calls with optional automatic framing.⁵ The optional 5MP IR camera and audio follow you or multiple presenters as they move within the camera's frame.

See colors as they should be

Make the color of your screen look consistent in any light with Adaptive Color¹¹ that adjusts your display automatically to the ambient light in the room to represent the true color of the content being displayed.

Comfortable viewing

Optional TÜV certified HP Eye Ease low blue light anti-glare panels¹² help remove blue light waves while preserving vivid color accuracy.

Stay connected

Your "office" can be where you need it, letting you connect almost anywhere with optional support for up to 5G wireless broadband technology with 4x4 antennas that can deliver fast download and upload speeds.⁶

Fast and efficient wireless LAN

The portability of your PC and the reliability of a fast connection determines where you can work. Get a fast and reliable connection in dense wireless environments with gigabit data rate Wi-Fi 6E.^{13,14}

Work longer, Charge faster.

Long battery life gets you through a day of meetings without plugging in. Quickly recharge your PC with HP Fast Charge. You'll get up to 50% battery life in just 30 minutes of charging.¹⁵
