

MPN: MC-PCIE-SFF8643

# PCIe X4 1 x SFF-8643 NVMe SSD Extended Card

The MC-PCIE-SFF8643 PCIe X4 to 1 x SFF-8643 NVMe SSD Extended Card provides a high-performance solution for connecting NVMe SSDs to your system. This card allows you to leverage the blazing-fast speeds of NVMe technology by adding an SFF-8643 port to your PCIe X4 slot. Ideal for demanding applications like video editing, data analysis, and gaming, this extended card ensures reliable and efficient data transfer. MicroConnect brings over 20 years of experience in providing premium quality connectivity solutions, and this card is no exception. Experience enhanced performance and expand your storage capabilities with this expertly designed PCIe adapter. Built to European design and quality standards, the MC-PCIE-SFF8643 offers both performance and reliability.

## Specifications

|                    |                         |              |
|--------------------|-------------------------|--------------|
| Design             | Component for           | PC           |
|                    | Internal                | Yes          |
| Ports & interfaces | Connectivity technology | Wired        |
|                    | Host interface          | PCI Express  |
|                    | Interface               | SSD          |
| Vendor information | Brand Name              | MicroConnect |
|                    | Warranty                | 3 Year(s)    |
