COLOR RAL 9005 Black

PRODUCT DIMENSIONS 44 x 482 x 217 mm
(height x width x depth) 1.73 x 18.98 x 8.54 in

MOUNTING INSTRUCTIONS

1. Slide your appliance from behind through the brackets on the left side and push up the small plate behind it to secure it.
2. Plug the power cable in and secure the cable with 1 zip tie. The zip tie goes through the 2 small holes behind the appliance.
3. Connect all the cables
4. If no OC200 is used, place your TP-Rack in your 19-inch cabinet. Otherwise continue.
5. Remove the front plate located on the right side, by applying force on it until the upperside comes loose. Now move the plate in both directions in quick succession until the front plate breaks loose.
6. Slide the OC200 from behind through the brackets and push up the small plate behind to secure it.
7. Plug the power cable in and secure the cable with 1 zip tie. The zip tie goes through the 2 small holes behind the appliance.
8. Place your TP-Rack in your 19-inch cabinet.

Please ensure proper ventilation according to the network appliance manufacturer guidelines.
