

Height Adjustable Floor stand - 02

SPV1402-02

A versatile floor stand and perfect for retail- hospitality- and entertainment environments. The SPV1402 is height adjustable (750 mm to 1145mm) and complies with ADA legislation, ensuring accessibility for all.

The Floor stand includes our patented tilting VESA mount – SpacePole Arc™ for all VESA 100 and VESA 75 screens. To accommodate tablets-based solutions, such as our own A-Frames and X-Frames, a small adapter is included.

Toolless assembly of the floor stand and internal cable management provide quick, safe and efficient implementation and minimal maintenance. When not in use, it can be folded away using minimal storage space.

The SPV1402 floor stand is a stable, elegant, durable and very versatile solution that caters for all your needs.

VESA 75 and VESA 100 for mounting small screens
Includes bracket for mounting our A-Frame and X-Frame.
Adjusts from 750 mm to 1145mm, providing flexibility to accommodate various user needs while enabling smooth screen rotation
Includes internal cable management for a clean, organized setup and minimal maintenance
Combines style with function, enhancing the appearance of any space while serving practical purposes
5-year warranty
