EW1509

Heavy-Duty Single Monitor Support Arm Desk for Flat/Curved/Ultrawide Monitor up to 49” and 20 Kg Full VESA 75x75 / 100x100, RGB Light, Matte Black & Whitish-Grey

• Single Monitor Arm for standard / ultra-wide monitors up to 49” in size and 20Kg in weight. The quick-release VESA bracket features 75x75mm and 100x100mm mounting capability, and the stand secures to desks up to 85mm thick with the heavy-duty C-clamp with the included grommet mount.
• Premium Gas spring-assist arm perfectly counterbalances the weight of your monitor for optimal ergonomic height adjustments. Ideal for gaming setups, this heavy-duty mount easily repositions large screens at the touch of a hand.
• Optimized tilting head structure provides smooth adjustments with +50° to -20° tilt, 180° swivel, 360° rotation, and 458mm of smooth height adjustment with Gas spring lift. Cable management covers keep cords neatly out of the way during transitions and create a clean, organized appearance.
• Mounting your monitor is a simple process with the detachable VESA plate, and we provide all the hardware and instructions for easy assembly.
• Giving gamers and office professionals the freedom to move and position ultra-wide curved monitors such as the Samsung Odyssey G9 gaming monitor
• Cool Lighting Effect: blends seamlessly into any gaming station
