Performance to stay productive from anywhere

Deliver essential performance, security, and durability for hybrid workstyles on this reliable, budget-friendly HP ProBook 440 laptop. Designed for productivity with upgradeable storage and memory, a 14-inch display, and an expanded 16:10 aspect ratio.

Designed for hybrid productivity

Adapt to varied workstyles for comfort and ease-of-use. With 16:10 aspect ratio on a 14-inch display, get a large-screen experience within a compact, modern design for enhanced productivity, whether working at home or in the office.

Optimized for growing business

Keep up with demanding, deadlinedriven tasks with the latest Intel[®] processor² and long battery life. Unlock Al-powered workflows with NVIDIA discrete graphics³ and meet challenging business requirements with upgradeable storage and memory.

Enterprise-level security and durability

Safeguard your business with multilayered, endpoint security features that help protect your PC from malware and hacking.⁴ This PC undergoes 19 MIL-STD tests⁵ for durability and is easily serviceable– helping make the most of your IT investment.

*Product image may differ from actual product

Sustainability in action

Help protect our shared future

Manufactured with sustainability in mind, this ProBook 440 contains 50 percent post-industrial recycled stamped aluminum in the chassis and 100 percent sustainably sourced materials in the outer box.⁶

Featuring

HP recommends Windows 11 Pro for business

Work anywhere without compromising on performance with Windows 11¹ and HP collaboration, security, and connectivity technology.

Latest Intel® multi-core processor

Configure your HP ProBook 440's CPU for the perfect combination of power, snappy performance, and value. The latest Intel® processor² handles multiple work tasks smoothly and reliably with multiple processing cores to divide up the work.

Protected by HP Wolf Security

HP Wolf Security for Business⁴ creates a hardware-enforced, always-on, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.

Make connections that matter

Let your audience see you clearly with a hybrid work-ready optional 5MP IR camera.³ Enjoy the crystal-clear audio tuned by poly studio and Al Noise Reduction.⁴

Smooth graphics performance

Boost your laptop's performance with optional NVIDIA® GeForce RTX2050 discrete graphics.³ Enable fast execution for your computing, multimedia, and AI workloads with enhanced, dedicated next-gen graphics.

Enhanced viewing experience

Push the limits of performance with this laptop's thin and light chassis and 14-inch display. Featuring a 16:10 aspect ratio, allowing you to see more vertical content in a surprisingly small footprint while reducing the need to scroll.

Automatic framing

Move around a little without losing viewers' attention during video calls with automatic framing.⁸ The 5MP IR camera and audio follow you as you move within the camera's frame.

Wireless 4G LTE connectivity

Stay connected almost anywhere with the optional embedded CAT16 WWAN.⁹ Highly reliable advanced network connectivity helps expand connectivity and enhance security.

A modern universal docking solution

Quickly transition to desktop productivity with two multi-function USB Type-C[®] ports. Simply connect with USB-C[®] cables¹⁰ from your laptop to your displays and other peripherals.

Easy-carry, modern design

Carry this laptop in style with a sleek, compact chassis featuring stylish aluminum components. Portable and light for use at home, in the office, and all places in between.

Sustainable impact specifications	Low halogen; Bulk packaging available; Molded paper pulp cushion inside box is 100% sustainably sourced and recyclable; Outside box and corrugated cushions are 100% sustainably sourced and recyclable; 20% post-consumer recycled plastic; Ocean-bound plastic in speaker enclosure and system fan; 50% recycled metal ^{45,46,47,48,49}
Warranty	1-year warranty and 90 day software limited warranty options depending on country. Batteries have a default one year limited warranty. Refer to http://www.hp.com/support/batterywarranty/ for additional battery information. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc.

Footnotes

Messaging Footnotes

¹Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com. ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your

hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance. ³ Optional feature that must be configured at the time of purchase.

⁴ PH Wolf Security for Business requires Windows 10 and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features and OS requirements.
⁵ MILSTD testing is not intended to demonstrate fitness for US. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Service.

⁶ 100% outer box packaging and corrugated cushions made from sustainably sourced certified and recycled fibers.
⁸ Automatic framing is a feature of Windows Studio and requires Windows 11 OS and a processor equipped with an NPU.

⁹ WWAN is an optional feature, requires factory configuration and separately purchased service contract. Check with service provider for coverage and availability in your area. 4G LTE not available on all products, in all regions. ¹⁰ USB-C^{*} cables sold separately.

Specification Footnotes

¹Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

¹ Processor speed denotes maximum performance or earlier software photoacts, not an assurement of higher performance.
³ Processor speed denotes maximum performance mode; processor sull run at lower speeds in battery optimization mode.
⁴ Intel^a Turbo Boost performance varies depending on hardware, software and overall system configurations. See www.intel.com/technology/turboboost for more information. ⁵ Features and software that require a NPU may require may require software purchase, subscription or enablement by a software or platform provider, and third party software may have specific configuration or compatibility requirements. Performance varies by

⁶Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the low

⁷ For storage drives, GB = 1 billion bytes, TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB of disk is reserved for system recovery software. ⁸ Wi-FI 6E requires a Wi-FI 6E router, and Windows 11, to function in the 6GHz band. Availability of public wireless access points limited. Wi-FI 6E is backwards compatible with prior 802.11 specs. And available in countries where Wi-FI 6E is supported. ⁹ WiANI is an optional feature, requires factory configurately purchased service contract. Check with service provider for coverage and availability in your area. 4G LTE not available on all products, in all regions. ¹⁰ UPNN (also called Mobile Narrowband) support HP Protect & Trace with Wolf Connect service through the subscription term, but do not support mobile broadband use.

¹² LawAN (use Called Mobile NatroWorking) support in Protect a frace with work Connect service introgen through the subscription term, pair do not support mobile broadband use. ¹³ Integrated a wireless technology your PC can use to project your screen to TVs, projectors, and streaming. ¹³ Integrated graphics depends on processor, NVIDIA* Optimus** technology requires an Intel processor, plus an NVIDIA* Gerce* discrete graphics capabilities and intel *ARC graphics. ¹³ Integrated graphics depends on processor, NVIDIA* Optimus** technology, full enablement of all discrete graphics odeo and display features may not be supported on all systems (eg. OpenGL applications will run on the integrated GPU or the APU as the case may be).

¹⁵ WOXGA/WUXGA/FHD resolution content required to view WOXGA/WUXGA/FHD images.
 ¹⁶ Resolutions are dependent upon monitor capability, and resolution and color depth settings.
 ¹⁷ Actual brightness will be lower with touchscreen.
 ¹⁸ All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

19 Requires Windows 11 and an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot in Windows is not available, the Copilot key will lead to the Bing search engine. See

http://dka.ms/WindowsAlFeatures. ²⁰ HP Tamper Lock must be enabled by the customer or your administrator.

 ²⁰ HP Tamper Lock must be enabled by the customer or your administrator.
 ²¹ HP Support Assistant is available on Windows. For more information, please visit www.support.hp.com/help/hp-support-assistant.
 ²² HP Customer squalify for a 90 day trail of Winc, his offer ends September 2025, Complete terms and conditions are provided by Miro when accepting the offer.
 ²³ HP Cloud Recovery is available for Z by HP, HP Elite and Pro desktops and laptops PCs with Intel[®] or AMD processors requires an open network connection. Note: You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Detail please refer to: https://support.hp.com/us-en/document/c05115630.
 ²⁴ HP Connect for Microsoft Endpoint Manager is available from the Azure Market Place for HP Pro, Elite, Z and Point-of-Sale PCs managed with Microsoft Endpoint Manager. Subscription to Microsoft Endpoint Manager required and sold separately. Network commenting ²⁵ HP Manageability Integration Kit can be downloaded from http://www&hp.com/us/en/ads/clientmanagement/overview.html ection required.

28 HP Patch Assistant available on select HP PCs with the HP Manageability Kit that are managed through Microsoft System Center Configuration Manager.

27 HP Sure Admin requires HP G8 or newer platforms, Windows 10 or higher, HP BIOS, HP Manageability Kit or KMS Service from http://www.hp.com/go/clientmanagement and HP Sure Admin Local Access Authenticator smartphone app from the Android or Apple

hr Suite Antimit requires to contract the DDC which requires Windows 10 or 11 and an open network connection. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. HP Sure Recover Gen6 with Embedded ²⁹ HP Sure Recover is available on select HP PCs and requires Windows 10 or 11 and an open network connection. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. HP Sure Recover Gen6 with Embedded ²⁰ HP Sure Recover is available on select HP PCs which requires Windows 10 or 11 must be configured at purchase. You must back up important files, data, photos, videos, etc. before use to avoid loss of data.

³¹ HP Sure Start is available on select HP PCs and requires Windows 10 and higher.

³² Secured Core PC Enable requires an Intel® vPro®, AMD Ryzen® Pro processor or Qualcomm® processor with SD850 or higher and requires 8 GB or more system memory. Secured core PC is enabled from the factory.
³³ Absolute firmware module is shipped turned off and can only be activated with the purchase a license subscription and full activation of the software agent. License subscriptions can be purchased for terms ranging multiple years. Service is limited, check with

Absolute for availability outside the U.S. Certain conditions apply. For full details visit: https://www.absolute.com/about/legal/agreements/absolute/ ³⁴ HP BIOSphere features may vary depending on the platform and configuration.

⁶ HP Boophere redures may vary experiant on the participation in a comparation. ⁵ HP Secure Trase implements the methods outlined in the National Institute of Standards and Technology Special Publication 800-887 "Clear" sanitation method. HP Secure Erase does not support platforms with Intel[®] Optane[®]. ³⁶ HP Engerprint Reader is an optional feature that requires Windows 10 or 11 and must be configured at purchase.

³⁷ For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on

³⁸ Availability may vary by country. ³⁹ Recharges up to 50% within 30 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to

⁴² HP Power Manager requires Windows 10 and higher and can be downloaded from the Microsoft Store. Depending on what version of HP Battery Health Manager (BHM) is available for your device, HP BHM may look at a number of factors to determine how to adjust battery charging over time to optimize battery health. HP BHM is preset to "Let HP Manage my Battery Charging" to allow the system to balance charging between battery health and battery duration. As Let HP Manage My Battery Charging adjusts charge capacity, battery relating to the intervention of the in

⁴⁴ Hardware acceleration for CODEC H.265/HEVC (High Efficiency Video Coding) is disabled on this platform, including the current configuration and alternate options.

⁴⁶ 100% outer box packaging and corrugated cushions made from sustainably sourced certified and recycled fibers.
 ⁴⁷ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
 ⁴⁸ Percentage of ocean-bound plastic contained in each component varies by product.
 ⁴⁹ Recycled plastic content percentage is based on the definition set in the IEEE 16801-2018 standard.

⁵⁰ Recycled plusite content percentage is based on the communication of the content percentage is based on this platform.

⁵⁶ Backlit keycloand is an optional feature. ⁵⁶ Backlit keycloand is an optional feature. ⁵⁶ HP Wolf Pro Security Edition is available preloaded on select SKUs, and, depending on the HP product purchased, includes a license with a term length communicated to you at purchase and in your order confirmation email. The HP Wolf Pro Security Edition software is licensed under the license terms of the HP Wolf Security Software - End-User license Agreement (EULA) that can be found at: https://support.pc.com/us-en/document/ish_3875769-3873014-16 as that EULA is modified by the following: 7. Term. Unless software is licensed under the license terms of the HP Wolf Security Software - Ind-User license Agreement (EULA) that can be tound at: https://support.hcom/us-en/document/sh_38/b/98/30/14-16 as that EULA is modified by the following: /. Ierm. Unless otherwise terminated earlier pursuant to the terms contained in this EULA, the incense for the HP Wolf Pro Security Edition is affective upon 4 months after the date the HP Product was shipped by HP and will continue for the term communicated to you at purchase and in your order confirmation email ("Initial Term"). At the end of the Initial Term you may either (a) purchase a renewal license for the HP Wolf Pro Security Edition from HP. Com, HP Sales or an HP Channel Partner, or (b) continue using the standard versions of HP Sure Click and HP Sure Sense at no additional cost with no future software updates or HP Support. Notwithstanding the foregoing, the license shall expire no later than one year after the fixed term of the subject license ends. ⁵⁷ HP Smart Support automatically collects the telemetry necessary upon initial boot of the product, believel evel configuration date health insights and is available preinstalled on select products, thru HP Factory Configuration Services; or it can be downloaded. For more information down to enable HP Smart Support or for downloade, please visit http://www.hp.com/smart-support. ⁶⁰ Depending on the version available for your device and the setting you select, HP Battery Health Manager (BHM) will use a proprietary set of algorithms to optimize battery health during the life of the battery. New Commercial Notebooks come equipped with BHM set to 'Let HP Manage My Battery Health "as the default. This setting will reduce charge capacity over time to optimize battery health and mitigate factors that can accelerate battery degradation. As a result of this reduction, battery runtime will decrease over time as available abreed area area dark in a water as the available dattery. Conder device area dark in a condectore area dark

available charge capacity is reduced. HP may, at any time, update HP Battery Health Manger to improve available settings, functionality, and performance. Refurbished products may have customized default settings to optimize user experience. For additional information on updating or modifying HP Battery Health Manager settings, please go to HP.COM/SUPPORT/BATTERY.
