

CHERRY XTRFY NGALE R

Premium USB mic for recording and streaming

Models may vary from the image shown

HIGHLIGHTS

- Standalone microphone for streaming and recording
- USB plug and play
- Adjustable RGB illumination
- On-device settings and monitoring
- Dual recording modes – low-cut filter for gaming

STREAM, RECORD AND STAND OUT.

The Ngale R features everything you need for high-quality sound capture without hassle. This standalone USB mic comes with a cardioid polar pattern and smart noise cancellation to capture your voice with clarity, while the RGB illuminated, retro-inspired design makes your streams and videos look as good as they sound.

CRISP AND CLEAR.

The Ngale R prioritizes sound quality over multiple polar patterns, featuring a high-quality cardioid capsule for streaming, voiceovers and solo

recordings with greater detail.

LOW-CUT FILTER FOR INTENSE GAMING.

Record or stream your voice across the microphone's entire frequency range, and activate the low-cut filter to minimize noise when gaming. To bring you the best sound quality, the Ngale R offers dual recording modes, easily switchable by holding the touch mute button.

QUICK TO SET UP, EASY TO USE.

The Ngale R easily connects via USB for instant plug-and-play functionality and includes a convenient desk stand. Compatible with 3/8" thread stands, it can also be mounted on a boom arm. Once the USB cable is plugged in, the on-device controls provide quick access to settings like mute, microphone gain and headset volume. At the touch of a button, you can also activate the low-cut filter, and switch between a range of different LED colors and RGB effects.
