Lenovo Legion KM310 RGB Gaming Combo Keyboard and Mouse

Ready. Set. Dominate.

Meet the Lenovo Legion K310 RGB Gaming Keyboard — your ticket to gaming supremacy. Standard layout, programmable keys, and dazzling 5-zone RGB lighting — all this epic kit is housed in a compact frame that's perfect for your gaming marathons or weekend skirmishes. And don't forget the Legion M300s mouse. Weighing a mere 57 g, it's armed with 6 tactical buttons, super slick PTFE feet, an 8000 DPI sensor, and clicky micro-switch buttons. Whether you're a pro or a newbie, you can't go wrong with this killer combo.

Why you need Lenovo Legion KM310 RGB Gaming Combo Keyboard and Mouse

Relentless minimalism

The K310 doesn't pull punches. It's compact, sure, but with all the room you need to tailor it to your ruthless gaming needs. It's light but tough as nails, with draining holes and keys that'll endure a staggering 20 million key presses.

Tournament performance

The K310 is your lethal ally, cramming high-performance components into a sleek, deadly frame. Crush your opponents with advanced anti-ghosting supporting 24 keys and latency-free processing for simultaneous commands. Plus, feel the power in each press with our tactile key range.

Unmatched precision

The M300s mouse is a featherweight assassin, coming in at 57 g and offering supreme performance with up to 8000 DPI, 220 IPS, and 30 g acceleration. It's swift, comfortable, and gives you unparalleled control, thanks to the 100% PTFE mouse feet.
