Marketing

Extended retailer text	Take a seat and stay there Soft padding, a moulded foam back, cushions for lower back and neck – the RIZZA is designed for all-day comfort, meaning you're going to want to stay seated for a long, long time. Be a chameleon With more than 350 RGB modes – yes, you heard that right – and 12 fixed colours, you're sure to find a colour combination that suits your mood or gaming setup. Sitting is a science
------------------------	---

Adjustable height, armrests, and cushions mean you can fine-tune your chair for maximum comfort.

Built to last

The Rizza is one-size-fits-most, with a durable, strong frame is ready for weights of up to 150kg and heights of up to 2m.

You're the boss

Use the included remote control to change colours. Found the perfect style? Store the remote in the chair's side pockets – which also house the included powerbank for the RGB lights.

Marketing

Extended retailer text	Never lag behind The days of sub-par gaming are gone – with the Ybar's low-latency wireless connection, you'll enjoy lag-free play and complete freedom of movement to play where you want, how you want. Setting the bar
------------------------	--

Item upgrade unlocked! Made from 69% recycled plastics, this mouse sets the bar for sustainable gaming, allowing you to play with peace of mind (and look super cool while doing it too!)

Play all day

It's easy to lose track of time while gaming, so don't let low battery stop you! With up to 50 hours playtime on a single charge and the ability to keep playing whilst charging, you can game on and on with the Ybar.

Thinking fast and slow

Whether you've got the need for speed or want to take it slow and steady, the Ybar's adjustable DPI (200–7200) allows you to change your cursor speed to ace your gaming every time. Epic!

Level up your gaming

You bring the skills, we'll bring the software. The Ybar's advanced software enables you to program light effects, profiles, macros and 6 programmable buttons to fine-tune your gaming experience.

All the added extras

With customisable RGB lighting that complements your playstyle, textured sides for a comfortable grip, and low-friction gliding pads for smooth control, the Ybar is definitely something you want to get your hands on!

System requirements	- Windows 10 or 11 - Free USB port

Marketing

Extended retailer text	Never lag behind The days of sub-par gaming are gone – with the Ybar's low-latency wireless connection, you'll enjoy lag-free play and complete freedom of movement to play where you want, how you want. Setting the bar
------------------------	--

Item upgrade unlocked! Made from 69% recycled plastics, this mouse sets the bar for sustainable gaming, allowing you to play with peace of mind (and look super cool while doing it too!)

Play all day

It's easy to lose track of time while gaming, so don't let low battery stop you! With up to 50 hours playtime on a single charge and the ability to keep playing whilst charging, you can game on and on with the Ybar.

Thinking fast and slow

Whether you've got the need for speed or want to take it slow and steady, the Ybar's adjustable DPI (200–7200) allows you to change your cursor speed to ace your gaming every time. Epic!

Level up your gaming

You bring the skills, we'll bring the software. The Ybar's advanced software enables you to program light effects, profiles, macros and 6 programmable buttons to fine-tune your gaming experience.

All the added extras

With customisable RGB lighting that complements your playstyle, textured sides for a comfortable grip, and low-friction gliding pads for smooth control, the Ybar is definitely something you want to get your hands on!
