DS1150/12

Sound that fits your home

Obsessed with sound

Delivering full and rich sound, the compact Philips DS1150/12 docking speaker automatically synchronizes with your iPhone/iPod's clock settings. Enjoy an adjustable night light and the convenience of charging a second mobile device.

Benefits

Surprisingly rich sound

- Shielding technology to block mobile phone interference
- Rich omni-directional sound to fill your bedroom
- 4W RMS total output power

Elegant and compact

- 360-degree design for gorgeous look from any angle
- Elegant and compact design to fit on any bedside table

Designed for your bedroom

- Auto clock synchronization with iPod/iPhone when docked
- Charge your second mobile device via USB
- Dock any iPod/iPhone, even in its case
- Free DockStudio app for internet radio & other cool feature
- Soft glow night light

Features

Auto clock synchronization

When connect and dock, this docking station will automatically synchronize the clock with your iPod/iPhone.

PHILIPS

Dock iPod/iPhone in its case

Smartly designed spring-loaded docking port effortlessly accommodates any iPod or iPhone, without special adaptors. What's more, it works even when most protective cases are on – just dock your iPod or iPhone as it is. Now you can truly have fuss-free enjoyment of your music.

DockStudio app on App Store

The free app adds an array of exclusive cool features to your docking speaker. You can check the weather, tell the time and even use your favorite images as wallpaper. DockStudio also lets you listen to thousands of Internet radio stations worldwide. More updates on skin styles and new functions on the way.
