

MPN: MC-SMART USB-A-C-01

Smart Charge USB-A to USB-C Cable

1m Black/Green

The Smart Charge cable series is the next level of intelligent charging. The cable makes sure that your battery won't overheat, because of the automatic power shut down, when fully charged.

The cable has a light indicator so you always can see if it is charging or not.

Here below are explained how it works.

The indicator will start blinking orange when it is fast charging and start blinking green when it is charging at a normal speed. The indicator will turn in to Green when it is fully charged. After 30 minutes the indicator will turn off the green light and the cable is now cut 100% off.

Extend the life of your battery with this smart Charge cable!

- USB A-C cable, USB2.0
- Metal shell with braiding jacket
- The cable is ideal for smartphones and tablets
- Auto cut the power when fully charged 100%
- Indicator light on the plug
- Data transfer rate 480 Mbit/s
- 20V/3A (60 W)

Specifications

Features	Specification	Value
Cable jacket material		Fabric
Cable length		1 m
Conductor material		Copper
Connector 1		USB A
Connector 1 form factor		Straight
Connector 1 gender		Male
Connector 2		USB C
Connector 2 form factor		Straight
Connector 2 gender		Male
Connector contacts plating		Nickel
Maximum data transfer rate		480 Mbit/s
Plug and Play		Yes
Product colour		Black, Green
RoHS compliance		Yes
USB version		USB 2.0
Vendor information	Brand Name	MicroConnect
	Warranty	25 Year(s)
