

MPN: MC-SMART USB-A-C-02

Smart Charge USB-A to USB-C Cable

2m Black/Green

The Smart Charge cable series is the next level of intelligent charging. The cable makes sure that your battery won't overheat, because of the automatic power shut down, when fully charged.

The cable has a light indicator so you always can see if it is charging or not. Here below are explained how it works.

The indicator will start blinking orange when it is fast charging and start blinking green when it is charging at a normal speed. The indicator will turn in to Green when it is fully charged. After 30 minutes the indicator will turn off the green light and the cable is now cut 100% off.

Extend the life of your battery with this smart Charge cable!

- USB A-C cable, USB2.0
- Metal shell with braiding jacket
- The cable is ideal for smartphones and tablets
- Auto cut the power when fully charged 100%
- Indicator light on the plug
- Data transfer rate 480 Mbit/s
- 20V/3A (60 W)

Specifications

Features

Cable jacket material	Fabric
Cable length	2 m
Conductor material	Copper
Connector 1	USB A
Connector 1 form factor	Straight
Connector 1 gender	Male
Connector 2	USB C
Connector 2 form factor	Straight
Connector 2 gender	Male
Connector contacts plating	Nickel
Maximum data transfer rate	480 Mbit/s
Plug and Play	Yes
Product colour	Black, Green
RoHS compliance	Yes
USB version	USB 2.0

Vendor information

Brand Name	MicroConnect
Warranty	25 Year(s)
