

MPN: PE01041

## Power Cord Schuko Angled - C15, 1m

Schuko (CEE 7/7) connection cables are approved for European countries like Germany, France, Austria and many others. This Power cord enables you to connect a monitor, PC or a projector to a power source.

## Specifications

|                    |                         |                          |
|--------------------|-------------------------|--------------------------|
| Features           | Cable length            | 1 m                      |
|                    | Cable type              | H05-VV-F3G               |
|                    | Conductor material      | Copper                   |
|                    | Connector 1             | Schuko Power Type E/F    |
|                    | Connector 1 form factor | Angled                   |
|                    | Connector 1 gender      | Male                     |
|                    | Connector 2             | C15 coupler              |
|                    | Connector 2 form factor | Straight                 |
|                    | Connector 2 gender      | Female                   |
|                    | Core size               | 0.75 mm <sup>2</sup>     |
|                    | Jacket material         | Polyvinyl chloride (PVC) |
|                    | Number of cable cores   | 3                        |
|                    | Product colour          | Black                    |
|                    | RoHS compliance         | Yes                      |
| Power              | Input current           | 10 A                     |
|                    | Input voltage           | 250 V                    |
|                    | Maximum current         | 10 A                     |
| Vendor information | Brand Name              | MicroConnect             |
|                    | Warranty                | 25 Year(s)               |
